The Advanced Leadership Program strives to identify, cultivate, and support existing and emerging leaders by building partnerships within the communities of Juneau County. The ten full day sessions focus on community issues providing participants the opportunity to increase their awareness of county-wide issues, while developing networking and leadership skills while expanding the participants understanding of the diversity of Juneau County. Classroom settings as well as hands on field experiences provide a well rounded learning structure and has been the key to the success of the program with over 135 graduated participants.
