

Juneau County Extension Update to COVID-19

The latest health guidance on responding to the COVID-19 virus is “flattening the curve” or limiting the spread of the virus via protective measures. We are following best practices and the latest policy guidelines to promote health and safety.

This office will have limited capacity during the COVID-19 outbreak. All Extension Educators will be working remotely in accordance with guidance from state and local agencies in addition to our connection to UW-Madison. Support staff is in the office and available via email at mary.nuttall@wisc.edu or 608-847-9329.

For more information on COVID in Juneau County visit Juneau County Department of Health: <http://www.co.juneau.wi.gov/health1.html>

For UW-Madison Division of Extension visit: <https://fyi.extension.wisc.edu/news>

See below to learn more about our events and programming.
