 Juneau County 4-H

Welcome to Juneau County 4-H!

UW-MADISON EXTENSION

On behalf of Juneau County 4-H Clubs and families, thank you for expressing interest and/or enrolling in Juneau County 4-H. We are super excited to welcome you to our 4-H family of 216 youth and 40 or so volunteer leaders. 4-H creates supportive environments and opportunities for youth and adults to reach their fullest potential.

As you review this welcome folder you will discover more of what Juneau County 4-H has to offer on a countywide basis for all 4-H members and Cloverbuds.

I strongly encourage you to get in touch with the general leader of your club if you've not already. The contact information for each club is in this folder. Sometimes clubs change a meeting date, location or time to accommodate a special speaker or activity so direct contact with the general leader is very important.

Family involvement is a big plus that 4-H offers and requests. The meetings, activities, and events expect household adults and members to attend together (and siblings/ cousins/neighbors/friends/other adults involved with the youth). Our most successful 4-H members have supportive adults who seek out opportunities for their youth.

Most all of our countywide communications will come through the 4-H Online email system. The email sender will be "4-H Online" in your email inbox. We also use Facebook as a communication tool. You do not need to have a Facebook account to look at our Facebook page. Our Facebook page name is "Juneau County 4-H" and comes up on most search engines. Our website has many of the forms you may need to access or refer to as the year progresses (record book forms, scholarship applications, links to countywide event entries, updated county 4-H event calendar). A simple web search for Juneau County 4-H should help you find our website and you can navigate from there. This is the site : <https://juneau.extension.wisc.edu/4-h-youth-development/>

If you are not yet enrolled in 4-H Online, there is an enrollment guide in this folder that will help you. If you have enrolled in 4-H Online and want to add a project, there is helpful information for that in the enrollment guide. There is a spring deadline for adding projects in order to show at the fair so be cognizant of that. Enrollments for new members are accepted in 4-H Online at anytime; however enrollments need to be entered prior to the spring deadline to enjoy all the rights of being a 4-H member including showing at the county fair as a 4-H member.

Never hesitate to reach out to me with questions, ideas, or concerns as that is how the 4-H motto comes alive ... "To Make the Best Better!"

Keep on Growing in 4-H,

April Martell

4-H uses terms that may be unfamiliar or used differently than what you've experienced in other places. Some of those words are explained here, but there may be some more terms you hear that aren't listed. Don't be afraid to ask your club leader if you're not sure what something means. The number next to each **bolded** word corresponds to the answer in the crossword puzzle on the opposite page.

A 4-H **club**¹¹ is made up of youth **members**³ and caring adult volunteers who meet regularly. Clubs typically conduct business, serve the community, and have fun! Clubs can also be school-based, afterschool or have a project area focus. A **Cloverbud**¹¹ is a 4-H member in grades K-2. All clubs have at least one adult club **leader**¹⁰ who works with youth leaders to guide the group. 4-H clubs often do **community service**² projects to make a difference in their community. Some clubs also have their members track project progress throughout the year (and their 4-H career) through a **record book**¹. Clubs may also encourage members to give a **demonstration**⁶, where they teach a project-based skill to other members.

4-H words you might hear across your County

4-H words you might hear across Wisconsin

In 1914, the Smith-Lever Act established a partnership between the USDA and land-grant institutions. In 1890, it expanded to include historically black colleges and universities, and in 1994 added tribal colleges. This partnership is known as Cooperative **Extension**⁷. In Wisconsin, Extension is a division of UW-Madison and is home to the Wisconsin 4-H program. UW-Madison employs a county **4-H educator**⁴ who leads and coordinates the county's 4-H program. Wisconsin 4-H uses the web platform, **4-H Online**⁹, to keep in touch with 4-H members. - **Speaking and Demonstration Contest** is generally held the 3rd Sunday of January. Entries open in December through a notice via email. Attached is an example of last year's entry and guidelines.
- **Recognition Program** is generally held the end of January on a Saturday afternoon. This is a time to celebrate all of the accomplishments of our members including first year members, graduating Cloverbuds, Bronze/Silver/Gold/Honorary Achievers, graduating members, Key Award recipients, Leader milestones, and much more!
- **Performing Arts Festival** is generally held the end of February on a Sunday afternoon at 1pm. Entries for individual talent pieces as well as club/group skits open up in January through a notice via email. Attached is an example of last year's entry and guidelines.
- **Foods Revue** is generally held the middle of March on a Saturday. You do not need to be a Foods Project member to enter. Attached is an example of last year's entry and guidelines.
- **Textile Arts Revue** is generally held on the 4th Friday of April. The entries can include knitting, crocheting, sewing, items made for horse riding, tie dye etc. Attached is an example of last year's entry and guidelines.
- **Juneau County 4-H Leaders Association Fundraisers** pay for the insurance carried on all of our members, high school senior scholarships given annually, county wide event expenses (venue/food/judges/ribbons/awards/prizes/educational materials), and educational travel opportunities.
 - Countywide Fundraiser in January/February. The fundraiser has varied through the years but has included pizzas, bulbs, shirts etc. depending on the year. Each family is asked to sell a minimum amount or take the buy out option.
 - Juneau County Fair Food Stand in August. Each family is required to work a shift in the food stand.
- **Record Book Judging** is an event that is held the end of October. The top record books from each grade group that were selected at the club level get judged by 3 different people at this event. A top record book in each grade level is selected using a rubric point system average. It is a great way to get familiar with the record book process and get ideas for your own record book. Adults and youth are encouraged to judge (must be able to read and add numbers).
- **Cloverbud Learn Ins** are held 4 times a year. Generally in November, February, March and May. If you are a Cloverbud member, you will receive an email with details for each Learn In day. (Cloverbuds are our younger members in grades 5K-2)

- ☐ Enter using the online **entry form due March 7 at 4:00 p.m.** It will ask you for your name, address, email etc. and will also ask you for your recipe so be ready to provide that when you fill that out. The link to the form will also be in Foods Revue email that will be sent out to all youth enrolled in Juneau County 4-H.

Entry form link:

<https://forms.gle/KaJdthZieqTdTemr8>

- ☐ **On March 16** (the day of Foods Revue), judging will take place at the Wonewoc Center School Gym, 101 School Street (also Hwy. 33), Wonewoc. Doors will open you at 12:30 p.m. and you must be completely ready with your entry, place setting etc. at 1:00 p.m.

This is what you need to bring:

1. Tablecloth and/or placemat that coordinates with your table setting theme
 2. Centerpiece that coordinates with your table setting theme (artificial or real)
 3. One place setting - dishes, napkin, and flatware that matches your menu needs. When you set this up at the event, the place setting should face the side of the table that the judge will be sitting at. So basically, the judge will be sitting as if they were your guest at a sit down meal ready to eat.
 4. Your prepared food using the recipe you submitted in the entry process, served attractively (only one needs to be plated). Bring enough extras for audience to sample after the event. These extra samples should not be at your place setting during judging.
 5. Menu card no larger than 8 ½ X 11 to go along with the prepared recipe that you entered. This would include side dishes, drinks, appetizer etc. These items should not be brought to the foods revue—only bring the prepared recipe item you submitted in the entry process. Keep in mind color combinations, texture combinations, hot/cold combinations, repetition of same foods as you prepare your “pretend” menu.
- ☐ Bring samples of your dish; plan enough for at least 100 very small servings. Remember, the group only needs a taste. These should not be on the table when you are being judged. They are not part of your place setting.
- ☐ Youth should know and be able to do on their own:
- How to set a proper table and what each item is used for in which food groups the foods in their menu belong in on My Plate (<https://www.myplate.gov/>) +++Practice set up and review at home+++
 - Be familiar with all of the foods in their menu, their ingredients, and how they are prepared (e.g., how much vegetable is required for one serving?)
- ☐ We encourage you to identify resources such as cookbooks, nutrition books, party and holiday books available from your local library, along with the 4-H project literature and additional handouts available from your club leader or the Extension Office to help you learn how to set an attractive table and how to make a noticeable and winning presentation. The more you know about your menu and serving, the better!
- ☐ *For Cloverbuds (5K-2nd Grade): You may bring your prepared recipe and serve it on a paper plate. You should have a menu card to show when you would serve this prepared recipe. Also, you should bring either a placemat or table covering of your choice. You should also bring enough small samples to share after judging is complete.

++++ Remember, if two people are close, the little “extras” count!++++

- ❑ The judge will be judging the members on:
- knowledge and use of table settings
 - choosing and combining dishes, food, menu, color, and texture, My Plate (<https://www.myplate.gov/>) and nutrients
 - contestant's goals, presentation, and achievements

THERE WILL BE NO KITCHEN FACILITIES AVAILABLE FOR REFRIGERATION/HEATING/PREPPING. Food must be pre-cooked. Judges will not be waiting on food to be cooked.

NOTE:

Cloverbud participants (5K-2nd grade): Will have their own area to set up in and one adult can assist with set up if needed. Parents not allowed in area during interview judging.

All 3rd Grade and older participants: Adults will not be allowed in judging area during set-up and interview judging. There will be roped off section that adults will not be allowed beyond. Please pick out a recipe and place setting that your youth can manage (with practice at home) on their own without adult help.

After everyone has been judged, contestants will be allowed to sample the prepared foods.

Special Focus Ingredients for 2025:

For recipes containing Wisconsin Dairy, there will be special awards:

- **Best Use of Dairy**—sponsored by Juneau County Dairy Promotion Board

Textile Arts Revue Guidelines:

1. Categories for entries will follow the Juneau County Fair book; you may enter one entry per lot number. They are also listed below and on next page.
2. Entries will be judged by modeling in a style show with the following guidelines:
 - a. Suitability of garment to individual, skill level and selection of color and design.
 - b. General appearance, neatness, posture and fit.
 - c. Construction to the extent that it affects the overall general appearance.
3. You do not need to be enrolled in designated project areas (26J, 27J, 18J) to participate in Textile Arts Revue. To receive Juneau County Fair premiums you must be enrolled in the designated project area (26J, 27J, 18J), enter item in the listed department/class/lot from the Juneau County Fair book and items must be on display during the Juneau County fair. All Textile Arts Revue entries (including Cloverbuds) must also be modeled again at a second style show at the Juneau County fair to receive premium (date and time to be determined) (you will not be re-judged at this show). Cloverbuds do not receive a premium. Cloverbuds are expected to participate in the style show at the Juneau County Fair.
4. You should appear at the Juneau County Fair modeling exactly as you did for the Textile Arts Revue judging. Using all of the same accessories, shoes, hair style, props, etc. This applies to Cloverbuds too.
6. Textile Arts Revue pieces can NOT be entered as a clothing construction entry at the Juneau County Fair. They must be entered in just the Textile Arts entry options as outlined in #3 and below. Textile Arts Revue entries need to be dropped off at the Juneau County Fair on Face To Face judging day of the Clothing Project and the clerk must be told that this is a Textile Arts Revue item and does not qualify to be judged again. Entries need to be on a coat hanger (if appropriate) clean, well-pressed, and with the entry tag pinned in the upper right corner (not on the hanger).
7. When entering items in the Juneau County Fair, please follow the guidelines in each Department.

Demonstration Worksheet

Missouri 4-H Youth Development Programs

*4-H demonstrations are a way of showing others what you have learned in your 4-H projects and activities. If you have shown someone how to peel a carrot, take a picture, or groom a dog, you have given a demonstration. In 4-H demonstrations, there are five main parts: introduction, steps (or body), summary, questions, and conclusion. For more information on demonstrations, refer to Missouri 4-H guide Y 744, **Let's Demonstrate**. This worksheet is designed to help you write out a plan for your 4-H demonstration.*

Introduction

Have all your materials and work area set up before you begin speaking. You may want to start your presentation with an attention-getter before introducing yourself. Some examples are:

For an arts and crafts demonstration —

"Are you all tied up in knots? Well, you came to the right place; today I'll show you how to use those knots to create wonderful plant hangers. Hi, my name is..."

For child development demonstrations —

"How would you like to sleep with a skunk tonight?

I'm _____ and I'm going

to show you how to make a cuddly stuffed toy that you can sleep with tonight."

Body of demonstration

Be sure to look at your audience while demonstrating. Speak slowly.

This helps the audience to understand you and gives you time to think ahead. Be sure to speak loudly enough to be heard in the back of the room. You might ask a friend to sit toward the back and signal if they can't hear.

Sometimes people have nervous habits that show up during the demonstration. These include putting your hands in your pockets, brushing back your hair, or swaying from side to side. Try to be aware of these actions and eliminate them. It's especially important in food demonstrations that your hair be fastened back out of your face.

Have extra things to say. It's important to avoid long silent spells. For example, if you're giving a demonstration on banana bread, be

prepared with extra facts about the nutritional value of bananas, special ways to serve the dish, or safety factors to consider when using an electric mixer. Use your project books, leaders, and other resources to collect facts to share with the audience.

Summary

Use this time to tie everything together and to review the main steps in your demonstration. Don't repeat everything; just cover the big areas. A poster may be helpful.

Questions

Answer any questions the best you can. Don't be embarrassed if you don't know the answer to a question. Simply say, "I don't know, but I'll try to find out the answer for you." Know the sources of information for your demonstration in case someone asks for additional details.

Conclusion

Thank the audience for listening to your demonstration.

JUNEAU COUNTY 4-H RECORD BOOK INSTRUCTIONS AND RULES

All Juneau County 4-H members are encouraged to keep a Record Book of activities and projects they have participated in throughout the year. This Record Book helps a member track participation points, qualify for awards, and serves as proof of a member's good standing for trips and scholarships. Record Books are turned in to general leaders where they will be judged on the club and county level. The following instructions and rules were designed to help you develop your Record Book and these rules will be used for judging.

- ☐ Record books begin with a 3-ring binder that is no more than 2" wide and can be any color. This binder will hold Record Book Forms and supporting materials. Use of plastic sheet protectors is encouraged but not required.
- ☐ **NEW FOR 2022:** Ditch the green covers we have traditionally required. They are no longer need to be part your record book. The information they contained is repeated in the other requirements so why duplicate!
- ☐ Forms are found on the Juneau County Extension website under 4-H/Forms and Applications and are available in Microsoft Word or PDF. We are working on getting them into a Google format too and those links will be available on our Juneau County Extension website.
<https://juneau.extension.wisc.edu/4-h-youth-development/forms-applications/>
- ☐ Each Record Book needs to include the following Forms in this order:
 - *Table of Contents*
 - *Member Introduction Page*
 - *Activity Summary*
 - *Projects I've Carried*
 - *My 4-H Year in Review*
 - *Project Pages-some projects have specific pages*
 - *Project Photos should follow the project pages they align with (Ex. Cultural Arts photos should follow your Cultural Arts project form)*
 - *Photos of other county/club activities*
- ☐ Forms may be completed in handwriting or typed but they must be your own work. Remember, neatness counts so if you are handwriting, do your best to make sure everyone can read it.
- ☐ Forms are designed so that you can complete them as the year progresses. Complete the top of project forms in the beginning of the year, the middle during the year, and the last questions at the end of the year. Do a rough draft if you want and print clean pages for your final submission.
- ☐ We understand that the "Worth Statement" question on the back of the forms can be hard to complete. It is there to help you reflect on what you learned in 4-H. There are eleven life skills that Wisconsin 4-H recognizes as an educational priority for its members. Try to see if you can incorporate the following life skills into your worth statement:

Applying science and technology
Communicating with others
Decision making
Developing self
Leading self and others
Learning to learn

Mental and physical health
Planning and organizing
Problem solving
Relating to change
Relating to others

- ☐ Complete all of the blanks in the forms. If you can't complete a section, explain why. For example, if you had no expenses to record in your expense section, write "No expenses."
- ☐ Let your parents, leaders, and other members help you with proofreading and generating ideas to better explain yourself. It will help you learn to communicate with others better!
- ☐ Feel free to add some creativity to your book. Ribbons, pictures, and programs are allowed. It's your book! Just make sure that you save time to complete the forms!
- ☐ The Record Book Evaluation and Rating Sheet is the official form used to judge each record book. The order of your Record Book should follow the judges sheet:
 - *Table of Contents (this page is your original design and includes page numbers)*
 - *Member Introduction Page*
 - *Activity Summary*
 - *Projects I've Carried*
 - *My 4-H Year in Review*
 - *Project Forms with photos/momentos from that project following its project form*
 - *Photos/momentos from other county/club events you participated in*
- ☐ Do not forget to fill in all signature lines (parent and member signatures).
- ☐ Project Forms do not need to be filled out for every project that a member participates in. However, if a member is applying for a project disk then a project form must be completed for the member to receive a disk in that project area.
- ☐ There is no limit to how much supporting materials (pictures, ribbons, programs, newspaper articles, etc.) can be included just as long as the entire Record Book does not exceed what a 2" binder can reasonably hold.
- ☐ Remember to request project disk(s) on the member introduction page. Disks can be earned for projects and/or county/state events you have participated in. Disks can only be earned if project forms or supporting event materials are included within the record book.
- ☐ Record books need to be turned into Club General Leaders. Each club can set their own deadline for when record books are due. After books are judged at the club level, top books must be submitted to the UW-Extension Office by **October 15th.**
- ☐ General Leaders: Please remove club judging sheets before submitting Record Books to the Extension office. Only submit quality record books that can compete for top placing on the county level. Incomplete record books will not be considered for top placing.

4-H PROJECT GUIDE

Juneau County 4-H Project Guide

This is your guide.... A 4-H project is an area you want to learn more about during the year. There are projects on just about any topic you would like to study and explore, from art to woodworking, from computers to rabbits, from clothing to small engines.

So how do you know what projects are available to you? Your club's general leader can tell you what projects and resources are available in your county.

Remember, you will learn more than "subject matter" as you complete your projects. You will learn many "life" skills that you will use every day of your life, such as understanding yourself, communicating better, solving problems, making decisions, and working with others. Good luck in your project selections. Have a great 4-H year!

How to Select 4-H Projects

4-H members . . . First, make a list of the things you like to do or want to learn more about. Talk over your list with your parents, leaders and friends. They may recognize some special things you are good at that you do not even realize you do well.

Then compare your list with the projects described in this guide and any other project list you may receive from your county. Ask yourself if you have the equipment, money and time to do the projects that sound interesting.

If this is your first year in 4-H, concentrate on doing only two or three projects well. Usually you can spend more than one year in a project unit because there are enough ideas there to span two or three years.

Understand that there may not be a leader for a project you have enrolled in.
